## Technology Breakfast Meetings

\$Free Pre-Registration is required.  
Call 919.417.8351 register - Seats are Limited!

Starting in April 2011 we will be hosting a "Technology Breakfast" for current and/or prospective Carlson Software and hardware customers.

These events will be held on the 3<sup>rd</sup> and 4<sup>th</sup> Friday of each month and will start at 7:30am. Once a month we will meet at the [Cracker Barrel at I-40 in Garner, North Carolina](#). Other events will be held in various locations in North and South Carolina.

Each breakfast and meeting will last for 1-2 hours and will provide an opportunity for us to demonstrate the future direction of Carlson data collection and field hardware. After breakfast, we will retreat to the parking lot for the field demonstration. Some events will also have a classroom component in a conference room at a neighboring hotel.

We plan to sit for breakfast at approximately 7:30 am at all meetings...
