## Overview of Carlson SurvCE and Field to Finish with Jeremy Taylor, PLS - 8 Hours Hands-On Training

**\$249      Call 919.417.8351 to Register - Seats are Limited!**

This 1 day class provides 8 hours of hands on training with Carlson's SurvCE data collection software.

Topics for the day will include:

- Set up and Configuration of SurvCE with your equipment
- Managing data files and import/export options between the field and the office
- Field collection for boundary, features and topo including GIS collection
- Working with the Map Menu to import and export .dwg, .dgn, .mxd and shapefiles
- Stakeout techniques
- Overview of Field to Finish

You will need to bring your own laptop, a mouse and your data collector. Trial versions of Carlson SurvPC will be provided for classroom instruction using your laptop and trial versions of Carlson Civil Suite with IntelliCAD will be provided if needed. If you have a Tablet PC that you would like to bring, it will help you to follow along during the field portion of training.

Pre-Requisite: General surveying knowledge of IntelliCAD or AutoCAD and basic computer knowledge
