

Workshops, Technology Days, Breakfast & Training – Oh My!

It's that time of year again... Early registration for our end of year workshops in North Carolina.

This year we will have day-long events in [Statesville](#) and [Asheville](#) in November and then in [Raleigh](#) and [Wilmington](#) in December. We have several new classes that have been developed in response to requests we received last year. Seats are limited and early registration discounts are available now.

In addition, we are also holding two Technology Days in [Charleston](#) and [Myrtle Beach](#), South Carolina. These October events are 1/2 day sessions that will cover Carlson Software and data collection offerings.

And, for those in [Wilmington NC](#) on October 10th – join us for a Free [Technology Breakfast](#) at the Cracker Barrel just off S College Road. The event is FREE but registration is required.

[You can register or find out more about all of these events here.](#)
