

Carlson Software User Conference – Celebrating 30 years

Carlson's 30th Anniversary User Conference will be held in Cincinnati Ohio from April 7-10, 2013.

In addition to 3 days of instruction and having the chance to work directly with Carlson programmers and tech support staff, they have a super-special offer for current users of SurvCE. User Conference attendees who are also license holders of SurvCE 1.x or 2.x will be able to claim a free upgrade to SurvCE 3.0, to be released during the conference. Just bring your older SurvCE serial number(s) with you to the User Conference. (Note: there's a limit of two SurvCE serial numbers per registrant.)

There are a lot of great classes covering the desktop products as well as data collection and hardware.
