

It's Trade Show Season – Come See Me!

It's trade show season again and I am happy to get the chance to go visit old friends and meet new ones over the next few months...

Next one upcoming is the SAMSOG Technical Seminar in Atlanta later this week. I appreciate the opportunity to present my classes to this group for the first time and I understand it's going to be quite a crowd; but they take walk-ins on the day of the event. I'll be covering *Tips & Tricks in CAD and Carlson* and an *Introduction to Field to Finish*.

Next will be the NJ SurvCon in Atlantic City which starts on 2/4. I think this is my third year and I really enjoy seeing everyone although they all tell me I talk funny! Again, it's *Tips & Tricks* but I'll also be presenting *How to Take a Project from Field to Finish with Carlson Survey*.

February 11th thru 13th I'll be in Columbus, Ohio for the 40th Anniversary of PLSO's Annual Conference. I'll be in the exhibit hall for most of the time but on Friday will be teaching *CAD & Carlson Tips & Tricks*. Make sure you visit my booth and see how your CAD skills match up to surveyors in other states!

And, lastly (I think), I'll be in Murfreesboro TN at the TAPS 47th Annual Meeting & Exhibition from March 12-14. I'll be in the exhibit hall most of the time but will also be teaching *Field to Finish for Survey and GIS Collection from a GIS Dummy* on Thursday March 12th.

It's not a trade show but don't forget Carlson's 2015 User Conference at the end of April. I'll definitely be there since

it's practically in the backyard of my hometown in Kentucky.

Looking forward to seeing everyone!
