

# Data Collector Trade-In for new Surveyor 2 with SurvCE

This is a last-minute addition to Carlson's year-end specials...

If you have any old, broken-down, beaten-up, driven-over data collector laying around, it's now worth at least \$900 toward the purchase of a new Surveyor2 data collector with SurvCE.

Click [here](#) to request a custom proposal – prices will vary depending on the model of Surveyor 2 and the modules of SurvCE you need to have loaded.
