

Highlights from the 2017 Carlson User Conference

It was a really fun time at the Carlson User Conference last week in Maysville and it's always great to see everyone. The folks running the show did a superb job with scheduling and Maysville rolled out the red carpet. I got excellent feedback from attendees about all the classes and extra-curricular activities!

See below for pictures of events and some of our favorite people in support who are often heard – but rarely seen!
