

Carlson 2020 Released!

A couple of weeks ago Carlson Software released the 2020 version of their desktop software that runs with IntelliCAD 9.2 (which is included) or on top of a separately purchased license of AutoCAD 2015-2020.

UPDATE: Carlson Survey 2020 and Takeoff with Embedded AutoCAD (OEM) is now available

For customers who are current on maintenance, you can follow this link to look up your new 2020 serial number. If you have trouble finding your serial numbers, you can call Carlson for free tech support at 606-564-5028 or contact me and I'll try to help.

You can click here to request a 30 day trial of the software or request a proposal for a new purchase or Carlson 2020 update.

Here are a few links and video with more details about new features in the Carlson 2020 update of the software:
