Carlson Software's Precision 3D Topo 2020 and Precision 3D Hydro 2020

Carlson Software recently released a 2020 version or "mini-upgrade" of their Precision 3D Topo and Hydro programs. Because it's being released mid-cycle (between 2019 and 2021), Carlson is giving this as an automatic update to users with P3D 2019.

If you currently use P3D 2019, you can download P3D 2020 here and can use your 2019 serial number during the installation process.
