

“See” you soon at the Western Regional Virtual Surveyors Conference!

I'm very excited to be taking part in this year's Magnificent Seven – Western Regional Virtual Surveyors Conference.

This is an exciting joint effort between these 7 participants:

Alaska Society of Professional Surveyors

Arizona Professional Land Surveyors

California Land Surveyors Association

Land Surveyors' Association of Washington

Montana Association of Registered Land Surveyors

Nevada Association of Land Surveyors

New Mexico Professional Surveyors

We are going through all of our orientations, setting up our Virtual Booth and are looking forward to interacting with everyone.

We will be posting updates soon that tell you when to plan on visiting our Virtual Networking Lounge for your chance to win a gift card for the highest score in our online CAD Test and for our schedule of 10 minute presentations on Carlson training and CAD Software Tips & Tricks, Introduction to IntelliCAD as an alternative to your AutoCAD and so much more.

In the meantime, please send us an email if you have any other Carlson training questions or are interested in attending any of our upcoming live, interactive webinars.
