

That CAD Girl is heading west!

We're very excited – and appreciative! – to the Land Surveyors of Washington (LSAW) and to the Western Federation of Professional Surveyors for inviting us to present sessions at their 2024 conferences!

We will have some fun and exciting events at our booth that you won't want to miss, so make sure to come by while you're there!

In Tulalip at the 2024 LSAW Conference, That CAD Girl will be presenting *Survey Project from Field to Plotted Sheet with Carlson Software* – tentatively scheduled on Wednesday, Feb 28th.

At the Western Regional Survey Conference in Las Vegas, we will also have fun 'n' games at our booth and will be presenting *Survey Project from Field to Plotted Sheet with Carlson Software*.

And you won't want to miss our other session! In Dueling Piano... err, **Dueling CAD Stations: Civil 3D vs Carlson Software** with John Dingwall of CAD Masters, we will go head-to-head to demonstrate how each program handles your day-to-day Survey work.

Early registration is still open for both Conference, so register today!
