

AN IMPORTANT MESSAGE ABOUT OUR RELATIONSHIP WITH CARLSON SOFTWARE

One Door Closes and Others Open

On Saturday, December 28, I received an email and letter advising me that Carlson Software was terminating the dealership agreements for both Carlson CAD Solutions and That CAD Girl, without cause, effective Monday, January 6, 2025.

This decision came without any warning or explanation and took us completely by surprise.

In order to comply with their decision, we've removed all options to purchase Carlson products from Carlson CAD Solutions and paused software-related payments in our online portal.

Our Top Priority: You, Our Customers

Right now, our focus is on supporting our customers across the US. We put the highest value on the relationships we have built on trust and respect over the last 17+ years as Carlson Software dealers.

Carlson CAD Solutions and That CAD Girl will continue to be a resource for sales advice, tech support and training for Carlson's Desktop Software!

With regard to sales of new licenses, maintenance and upgrades – we are working to connect with other Carlson dealers so that, if desired, our customers will have a closer, local option in addition to the support we'll offer. The holiday timing hasn't made it easy, but we're doing everything we can to make this as smooth as possible.

To Carlson Dealers:

If you're interested in helping our past customers in your region and haven't heard from us yet, please call me directly at 254-417-8351.
