# Fast Track to Carlson Takeoff – January 2024

Don't miss our upcoming Virtual Classroom training from That CAD Girl!

A promotional graphic for a training session. On the left, a cartoon woman with glasses and brown hair, wearing a white shirt, is driving a black sports car with yellow headlights. She is gesturing with her right hand. The background is a stylized road with a white line curving through a landscape of green and brown terrain. The text 'That CAD Girl' is written on her shirt. On the right side of the graphic, the text 'Get on the' is in black, followed by 'Fast Track' in large, bold, green letters with a black outline. Below that, 'with Carlson Takeoff' is in black. Underneath, 'Quantity Takeoffs & Surface Modeling for Machine Control' is in a smaller black font. A white box with a black border contains the dates 'January 23rd, 25th & 26th' in green, and below it, 'Register Now at [www.ThatCADGirl.com/classes](http://www.ThatCADGirl.com/classes)' in black. Below the box, the text 'Learn to:' is in black, followed by a list of bullet points. At the bottom right, the 'That CAD Girl' logo and website 'www.ThatCADGirl.com' are shown, along with the 'Carlson College' logo and the text 'CERTIFIED TRAINING CENTER' and 'That CAD Girl is a charter member of Carlson College'.

Our goal for 2024 is to double our offerings of long-form Virtual Classroom sessions and that starts in January with our Fast Track to Carlson Takeoff. This will be 2+ days of demonstration and presentation where users will learn to:

- Start your project from 2D images or paper
- Use Takeoff's layer-based system to track features and report quantities
- Easily account for subgrades and topsoil in cut/fill calcs
- Import CAD files and data from other programs
- Build complex surface models with multi-floor buildings and retaining walls

- Generate reports and cut/fill color maps
- Export files for machine control

# **Carlson Software 2024 has been released!**

Carlson Software released the 2024 version of their desktop products on October 16, 2023.

With the 2024 release, Carlson has upgraded the IntelliCAD “experience” and now defaults to IntelliCAD 11 which is a major

upgrade! Click [here](#) to review all the updates in the new 2024 software.

Carlson 2024 products can be installed with (included) IntelliCAD 10.1a or 11.1 or on top of your separately purchased license of AutoCAD 2018-2024.

Carlson Survey and Takeoff 2024 with embedded AutoCAD (OEM) are expected to be released within the next few weeks.

**Any user who has purchases a new Survey or Takeoff with embedded AutoCAD (OEM) within 30 days of the new release will receive an automatic upgrade.** If this applies to you, please Email us and we'll make sure you get your free upgrade.

If you are currently running Carlson and have an active maintenance contract, **you are eligible for a free upgrade to Carlson Software 2024.** You will need your 2023 serial number and can use this Lookup screen to find your 2024 serial number.

If you're a past customer of That CAD Girl, you may be able to find your Carlson Customer ID, serial numbers and maintenance reports on your That CAD Girl Customer Portal.

FAQ: What are the improvements to Carlson over previous versions? (a running thread)

FAQ: What you should know about purchasing Carlson Software

# Survey OEM 2023 Released!

I've been pretty impressed with the stability and performance of the Carlson 2023 products so it's not a surprise that they have released Survey OEM 2023 so quickly.

Wondering what's new in the latest release? Don't miss our FAQ: What are the improvements to Carlson over previous versions?

Anyone who purchased 2022 after 10/1/2022 is eligible for a free upgrade to 2023. Please send Claire or me an email at [ContactUs@ThatCADGirl.com](mailto:ContactUs@ThatCADGirl.com) and we'll help you get your new serial number.

If you are interested in running a 30-day trial to try it before you buy it, please reach out to us and we will be happy to send that to you as well.

PS: Carlson's and That CAD Girl's year-end specials are ongoing through 12/31/2022... don't miss out!

---

**Carlson Software 2023 has been released!**

On November 1, 2022 Carlson Software released the 2023 version of their desktop products. With the 2023 release, Carlson is focusing more on performance and stability and a little less on new bells and whistles... I'm guessing the next version will be heavy in the other direction!

Carlson 2023 products will ship with both a preview release of IntelliCAD 11.0 and 10.1 and can also run on top of your separately purchased license of AutoCAD 2018-2023.

Carlson Survey 2023 with embedded AutoCAD (OEM) is expected to be released within the next few weeks but it's unclear at this time whether there will be a 2023 release of Takeoff OEM.

**Any user who has purchased Survey OEM 2022 after 10/1/2022** will receive a free upgrade to Survey OEM 2023. If this applies to you, please Email us and we'll make sure you get your free upgrade.

If you are currently running Carlson and have an active maintenance contract, **you are eligible for a free upgrade to Carlson Software 2023**. You will need your 2022 serial number and can use this Lookup screen to find your 2023 serial number.

If you're a past customer of That CAD Girl, you may be able to find your Carlson Customer ID, serial numbers and maintenance reports on our new customer portal. You can access your portal

by clicking [here](#) and entering your email address. If you haven't been granted Admin privileges by your company's primary point of contact, you may have limited access.

You can read more about the new features and find more information [here](#) on Carlson Software's 2023 product page.

Don't forget to subscribe to our YouTube channel where you can find our Picks and Clicks videos plus several "Product Overview" recordings that demonstrate features in different programs.

FAQ: What are the improvements to Carlson over previous versions? (a running thread)

And, don't forget...

---

# Data Collector Trade-In for

# new Surveyor 2 with SurvCE

This is a last-minute addition to Carlson's year-end specials...

If you have any old, broken-down, beaten-up, driven-over data collector laying around, it's now worth at least \$900 toward the purchase of a new Surveyor2 data collector with SurvCE.

Click [here](#) to request a custom proposal – prices will vary depending on the model of Surveyor 2 and the modules of SurvCE you need to have loaded.

---

## Carlson Year End Specials – Sweet Suites & Bundles of

# Hardware

Carlson announced their year-end specials early this year and they have lots of great offerings for hardware and software... but we've done a little better!

Click [here](#) to browse all the discounts – pricing is good through 12/31/2016. And, don't forget! If you purchase new software through That CAD Girl you will be eligible for 12 months of our live and interactive webinars. You can see the list of upcoming webinars [here](#).

If you've never attended one of our webinars, we'd love to have you attend as a guest for one of our upcoming sessions. Click [here](#) to send a request or to request a custom proposal or live demonstration.

Also (hint, hint) you may want to register for our newsletter because we *MAY* have other That CAD Girl exclusive specials to announce later this month!

---

## Carlson (and my) End-of-Year Specials are Here!

I'm a few days late in posting this but Carlson has announced their end-of-year CAD pricing specials for 2014.

So, what's on the shelf? For desktop software we have specials on:

- Carlson Civil Suite 2015 plus maintenance through 9/1/2015 Everyday retail price for this bundle is \$4,125, Carlson's year-end price is \$2,995 and my price is... less than that!
- Survey 2015 with embedded AutoCAD Everyday retail price for this is \$2,995, Carlson's year-end price is \$2,695 and my price is... less than that too!
- Takeoff 2015 (T8) with embedded AutoCAD Everyday retail price for this bundle is \$9,000, Carlson's year-end price is \$7,500 and my price is... you guessed it... less than that!

All software purchases include 12 months of access to my live, interactive webinars. These are exclusive training sessions that are not publicly posted online and I'm currently scheduling approximately 3-4 hours per month on various topics. This is my way to help as many of my customers as possible use your software and keep it from becoming shelf-ware!

But, that's not all!

I also have additional discounts on new purchases of Carlson Survey, Civil, Hydrology, GIS, Takeoff Suite, Construction, CADNet, Trench & GeoTech with Maintenance. These links go to my online store where you can see my standard discounts but I'm not allowed to advertise the super-duper special pricing. You'll have to email me or Request A Custom Proposal to find out details...

Both Carlson's specials and the ones I'm running on my own will

expire on 12/31/2014...

---

# 2014 That CAD Girl Workshop – Time to Register!

It's workshop and PDH time again!

We're mostly following the same calendar as last year with a 1/2 day in Asheville and 2 full days in Statesville and Raleigh. Each event includes drinks, snacks, lunch, door prizes/giveaways and "day-of-show" pricing for Carlson Software including new seats and maintenance renewals.

Register for the Statesville events by Sept 30<sup>th</sup> or for the Raleigh events by Oct 31<sup>st</sup> for early registration discounts. Late fees will be applied to registrations within one week of each event.
