## 2014 That CAD Girl Workshop — Time to Register!

It's workshop and PDH time again!

We're mostly following the same calendar as last year with a 1/2 day in Asheville and 2 full days in Statesville and Raleigh. Each event includes drinks, snacks, lunch, door prizes/giveaways and "day-of-show" pricing for Carlson Software including new seats and maintenance renewals.

Register for the Statesville events by Sept  $30^{\text{th}}$  or for the Raleigh events by Oct  $31^{\text{st}}$  for early registration discounts. Late fees will be applied to registrations within one week of each event.

## Year End Specials for Carlson Software

Updated 11/4/2013: I've just added several more end of year specials for Survey with IntelliCAD, Takeoff Suite, Construction, Trench, GeoTech, Survey with IntelliCAD and manuals and more... Remember to Add Coupon for best pricing!

Carlson jumped the gun a bit and announced their year-end specials today... Special pricing will end at noon on 12/31/2013. In addition, all software purchases through 12/31 include 2 hours of online training.

Check out my **online store** and make sure to pick the item's "Add Coupon" button for best pricing:

Carlson Civil Suite including one year of upgrades/maintenance

Carlson Survey 2014 with embedded AutoCAD

Carlson CADNet 2014 including one year of upgrades/maintenance

CADNet is a new module for 2014 — broken out of Takeoff. CADNet has tools for digitizing, importing raster and vector data from images and PDFs, merging two image files, BIM data and more. **Check out this recent webinar** introducing Carlson CADNet to see how powerful it is.

## 2011 End of Year Specials

As they do at the end of each year, Carlson has announced some "End of Year Pricing Specials" for their software. The best office software deal this year is for Carlson Civil Suite 2012 including one year maintenance.

I am discounting my prices further so I am prohibited from advertising my pricing for Civil Suite at all. Please call me at 919.417.8351 for a quote or email me for a coupon code that can be used in our online store.

Carlson is also discounting the Surveyor+ RTK GPS System. If you purchase through me by 4:00pm ET on December 31, 2011, my price on the system is \$10,995 and includes full SurvCE Complete for Total Station, Robotics, GPS and Advanced Roading. If you have questions please call me at 919.417.8351 or Jeremy Taylor at 919.337.7998. We do have financing options available.

I also have one copy of Carlson Takeoff available at a

significant discount — first come, first served! Again, you'll have to call me to find out the price or email me for a coupon code that can be used in our online store.

## End of Year Workshops — Statesville, Asheville, Wilmington and Raleigh NC

We are finally able to announce our end of year workshops for 2011. With the weather problems we encountered last year we decided to hold the events in the western end of North Carolina in November and toward the coast in December.

The cost to attend each event is \$99 and lunch is included. See below for early bird registration details for each event. NC Licensed Surveyors and Engineers will receive 8 PDH credits and all attendees will receive a certificate confirming their attendance. We will have door prizes, software giveaways and special software or hardware pricing that is available the day of the show only.

We will be in Statesville on Tuesday, November  $15^{th}$  and Asheville on Thursday November  $17^{th}$ . Early bird registration is \$89 through September  $30^{th}$ .

We will be in Wilmington on Tuesday, December  $13^{th}$  and Raleigh on Thursday December  $15^{th}$ . Early bird registration is \$89 through October  $31^{st}$ .

You will be able to choose the sessions you wish to attend. This year's sessions include:

- GIS from A to Z and Responding to GIS-related RFPs presented by Janet Jackson (GIS Janet) of Intersect
- Overview of Carlson Takeoff & Preparing Machine Control
   Data

presented by Todd Carlson of Carlson Software

- Intro to SurvNet & Least Squares presented by Donnie Stallings, the original developer of the product
- CAD Standards Roundtable & Discussion presented by Jennifer DiBona, That CAD Girl
- CAD Tips & Tricks and hints for sharing data with others presented by Jennifer DiBona, That CAD Girl
- Overview of Carlson Software 2012 (Survey, Civil, Hydro, GIS, Point Clouds) presented by Scott Griffin of Carlson Software
- Field to Finish with Carlson Survey & SurvCE and the Surveyor+ GPS System presented by Butch Herter of Carlson Software and Jeremy Tavlor
- Preview of future Carlson hardware
  presented by Butch Herter of Carlson Software and Jeremy
  Taylor
- Road Design and Site Design with Carlson Civil & Hydrology presented by Scott Griffin of Carlson Software

Note that all classes are not scheduled at all events and locations. See each workshop announcement for specifics. Seats are limited so register online, call 919.417.8351 or email us to register.
