

# Year End Specials for Carlson Software

Updated 11/4/2013: I've just added several more end of year specials for **Survey with IntelliCAD, Takeoff Suite, Construction, Trench, GeoTech, Survey with IntelliCAD and manuals** and more... Remember to Add Coupon for best pricing!

Carlson jumped the gun a bit and announced their year-end specials today... Special pricing will end at noon on 12/31/2013. In addition, all software purchases through 12/31 include 2 hours of online training.

Check out my **online store** and make sure to pick the item's "Add Coupon" button for best pricing:

**Carlson Civil Suite** including one year of upgrades/maintenance

**Carlson Survey 2014 with embedded AutoCAD**

**Carlson CADNet 2014** including one year of upgrades/maintenance

CADNet is a new module for 2014 – broken out of Takeoff. CADNet has tools for digitizing, importing raster and vector data from images and PDFs, merging two image files, BIM data and more. **Check out this recent webinar** introducing Carlson CADNet to see how powerful it is.

# 2011 End of Year Specials

As they do at the end of each year, Carlson has announced some “End of Year Pricing Specials” for their software. The best office software deal this year is for Carlson Civil Suite 2012 including one year maintenance.

I am discounting my prices further so I am prohibited from advertising my pricing for Civil Suite at all. Please call me at 919.417.8351 for a quote or email me for a coupon code that can be used in our online store.

Carlson is also discounting the Surveyor+ RTK GPS System. If you purchase through me by 4:00pm ET on December 31, 2011, my price on the system is \$10,995 and includes full SurvCE Complete for Total Station, Robotics, GPS and Advanced Roding. If you have questions please call me at 919.417.8351 or Jeremy Taylor at 919.337.7998. We do have financing options available.

I also have one copy of Carlson Takeoff available at a significant discount – first come, first served! Again, you’ll have to call me to find out the price or email me for a coupon code that can be used in our online store.

## End of Year Workshops – Statesville, Asheville,

# Wilmington and Raleigh NC

We are finally able to announce our end of year workshops for 2011. With the weather problems we encountered last year we decided to hold the events in the western end of North Carolina in November and toward the coast in December.

The cost to attend each event is \$99 and lunch is included. See below for early bird registration details for each event. NC Licensed Surveyors and Engineers will receive 8 PDH credits and all attendees will receive a certificate confirming their attendance. We will have door prizes, software giveaways and **special software or hardware pricing that is available the day of the show only.**

We will be in Statesville on Tuesday, November 15<sup>th</sup> and Asheville on Thursday November 17<sup>th</sup>. Early bird registration is \$89 through September 30<sup>th</sup>.

We will be in Wilmington on Tuesday, December 13<sup>th</sup> and Raleigh on Thursday December 15<sup>th</sup>. Early bird registration is \$89 through October 31<sup>st</sup>.

You will be able to choose the sessions you wish to attend. This year's sessions include:

- **GIS from A to Z and Responding to GIS-related RFPs**  
presented by Janet Jackson (GIS Janet) of Intersect
- **Overview of Carlson Takeoff & Preparing Machine Control Data**  
presented by Todd Carlson of Carlson Software
- **Intro to SurvNet & Least Squares**  
presented by Donnie Stallings, the original developer of

the product

- **CAD Standards Roundtable & Discussion**

presented by Jennifer DiBona, That CAD Girl

- **CAD Tips & Tricks** and hints for sharing data with others  
presented by Jennifer DiBona, That CAD Girl

- **Overview of Carlson Software 2012** (Survey, Civil, Hydro, GIS, Point Clouds)

presented by Scott Griffin of Carlson Software

- **Field to Finish with Carlson Survey & SurvCE and the Surveyor+ GPS System**

presented by Butch Herter of Carlson Software and Jeremy Taylor

- **Preview of future Carlson hardware**

presented by Butch Herter of Carlson Software and Jeremy Taylor

- **Road Design and Site Design with Carlson Civil & Hydrology**

presented by Scott Griffin of Carlson Software

Note that all classes are not scheduled at all events and locations. See each workshop announcement for specifics. Seats are limited so register online, call 919.417.8351 or email us to register.
