The fine print: There will be a limited number of "seats" available for the sessions (limits of the technology). If we start bumping up against the limit of attendees, only one person per company will be able to attend each session. If we have plenty of seats

available, that won't be an issue.

On the Free Webinars tab of your portal, you can find links to pre-register or join a session in progress.

Follow this link to pre-register for any webinars you'd like to attend.
