Frequently Asked Questions

[FAQ315] What data collectors, GPS and total stations can I run with my Carlson SurvCE or SurvPC?

Click [here](#) for the list of data collectors, GPS and total stations that are supported in the various versions of SurvCE and SurvPC.

It's easy to overlook but the "micro-links" at the bottom of the table let you switch between Carlson data collectors, Carlson GPS and total stations.

Supported Data Collectors

Carlson SurvCE supports many major manufacturers' conventional and robotic total stations and RTK GPS systems. These include:

Carlson Surv502

Carlson M30
