That CAD Girl

Frequently Asked Questions

Does BricsCAD Offer a 30 day Trial?

Can I run BricsCAD without a license?

Yes. If you do not own a license, you can run BricsCAD in trial mode.

How long does the BricsCAD trial last?

The BricsCAD trial lasts 30 days from the time it is activated.

Is the BricsCAD trial fully functional?

Yes. During the trial period, BricsCAD runs as a fully functional version with no feature limitations.

What happens when I open BricsCAD in trial mode?

When BricsCAD is opened in trial mode, the BricsCAD Launcher opens automatically and displays how many days remain in your trial.

What options do I have when the BricsCAD Launcher opens?

You have two options:

- Continue to launch BricsCAD in trial mode
- Enter License to activate a Single user Volume or Network license

What license level does BricsCAD use during the trial?

By default, BricsCAD runs in Ultimate mode during the trial, giving you access to all available features.

Can I test different BricsCAD license levels during the trial?

Yes. You can switch between license levels while in trial mode to evaluate which edition best fits your needs.

How do I change the license level

during a BricsCAD trial?

Use the SETLICENSELEVEL command within BricsCAD to change the active license level.

What license levels are available in BricsCAD?

BricsCAD offers five license levels:

- BricsCAD Lite
- BricsCAD Pro
- BricsCAD BIM
- BricsCAD Mechanical
- BricsCAD Ultimate

Can I apply a purchased license to a trial installation?

Yes. If you purchase a license during or after the trial, you can activate it without reinstalling BricsCAD.
