Find Answers on your new That CAD Girl Portal

Find Answers on your new That CAD Girl Portal

If you (or your company) have ever requested a proposal or invoice from That CAD Girl – Congrats! You have a portal!

Every portal is specific for the email address we have on file for you, so – **Click here to access That CAD Girl's Customer Portal** then enter your email address.

The availability of tabs on your portal will depend on whether you have been granted Full Access by the primary contact in your company or if you have Restricted Access. Everyone will have Home, Free Webinars and My Training tabs while those with Full Access will have access to Recent Transactions, Serial Numbers and Maintenance Reports.

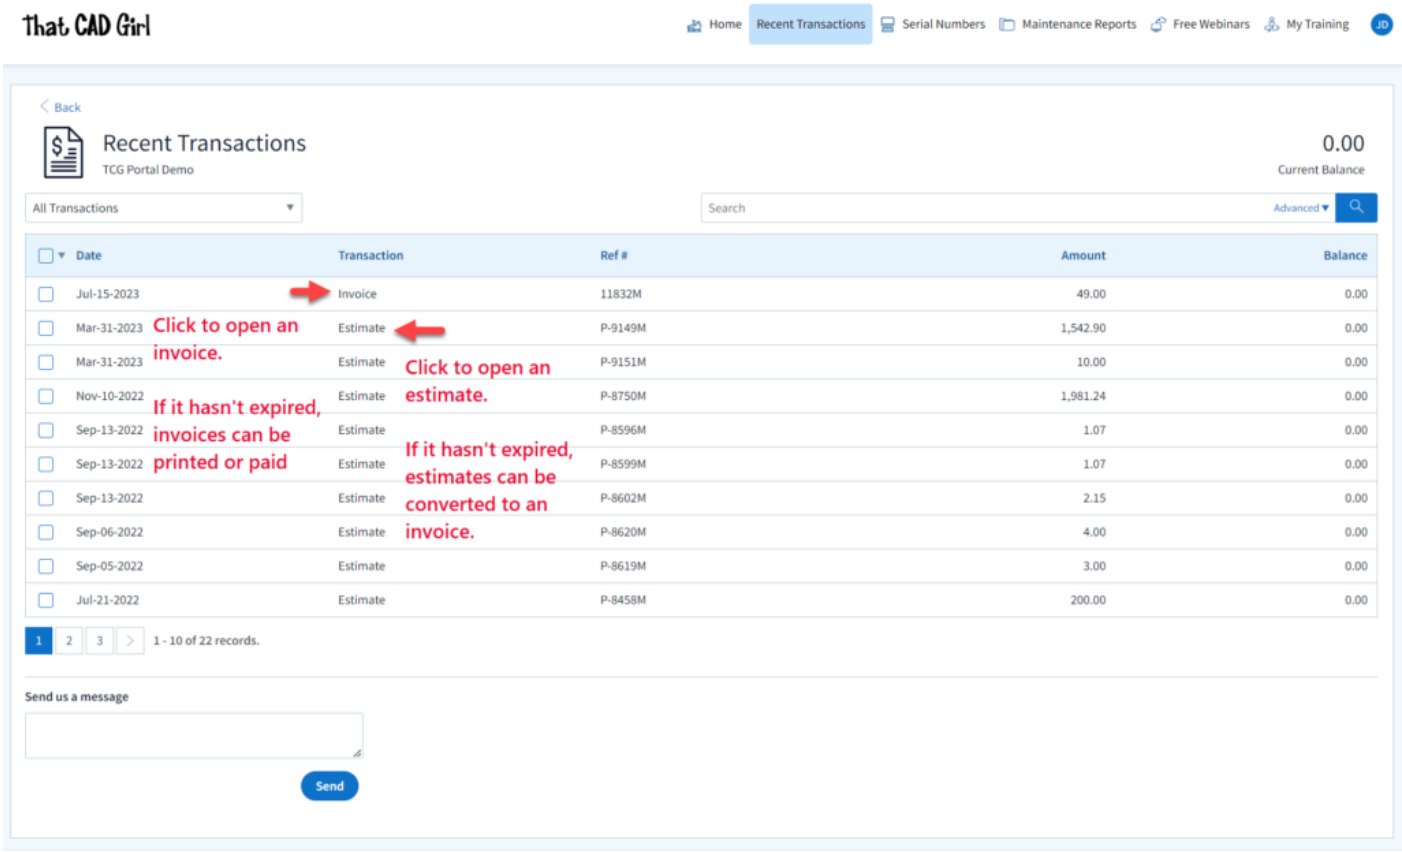

JTNDYSUyMG5hbWUlM0QlMjJob21ldGFiJTIyJTIwaWQlM0QlMjJob21ldGFiJTIyJTNFJTIwJTNDJTJGYSUzRQ==**Home** – On this tab you can review the contact information about your company and also request updates to contacts or other out-of-date information. This screen also shows whether staff from your Company is eligible to attend our Monthly Webinar Series for Free.

nt Transactions – On this tab, you can review proposals and securely pay your invoice using any major credit card or directly from your bank account. You can also review and download PDF copies of past proposals, invoices and payment transactions. This tab is only available to users with Administrative Access.

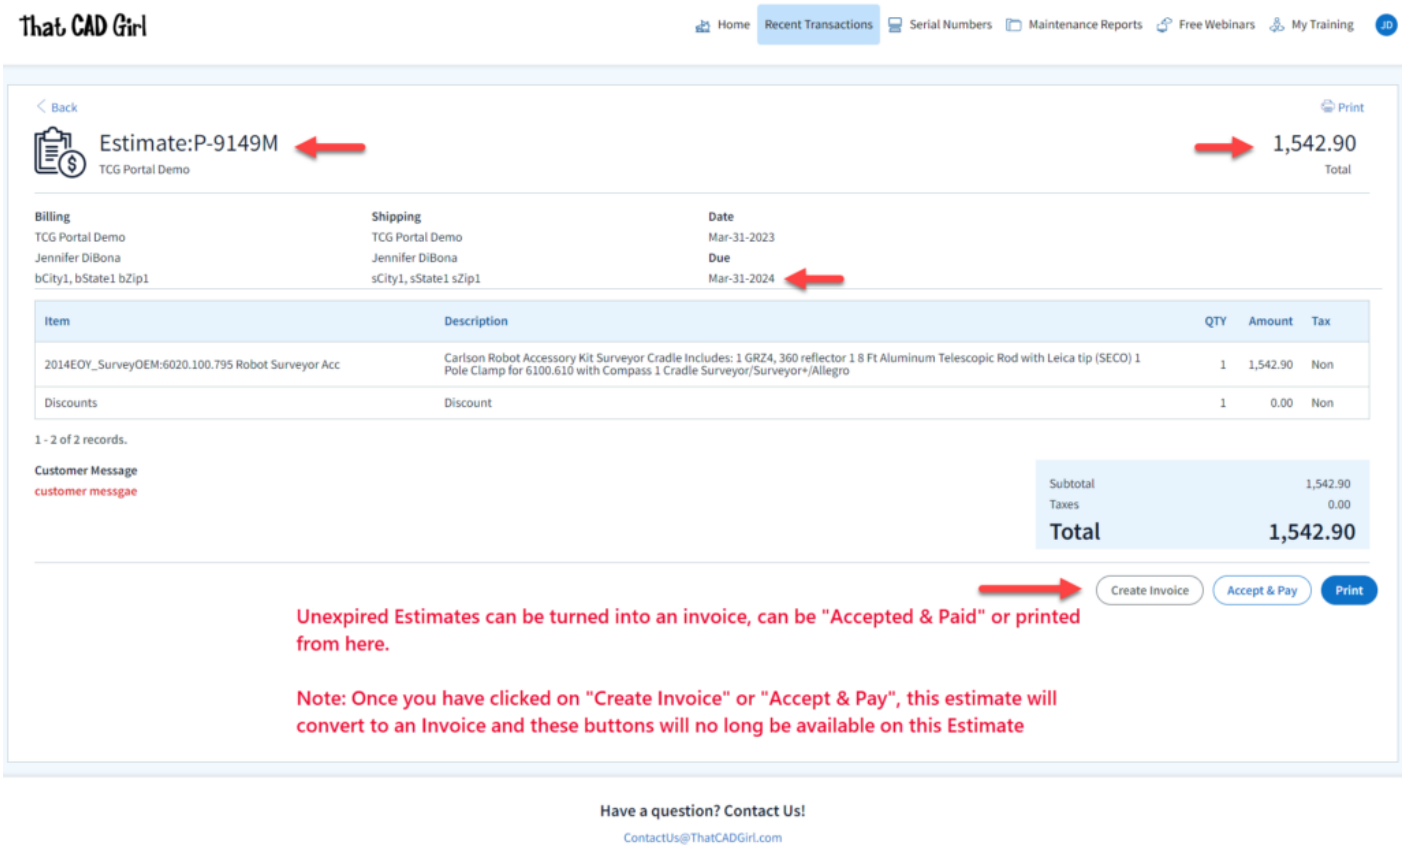

Clicking on an Estimate – When viewing an Estimate (Proposal) in Recent Transactions, you have different options depending on whether the Estimate has been previously converted to an invoice, is active (unexpired) or is past due (expired).

For active (unexpired) and unconverted Estimates, you can click “Accept & Pay” to convert the Estimate to an Invoice and proceed directly to our payments screen or click “Create Invoice” to convert the Estimate to an invoice and proceed to the Invoice screen.

For past due (expired) or previously converted Estimates, you only have the “Print” button that allows you to export to a PDF.

NOTE: Once an Estimate has been converted to an Invoice using either option, you must return to the Recent Transactions table and open the Invoice to pay.

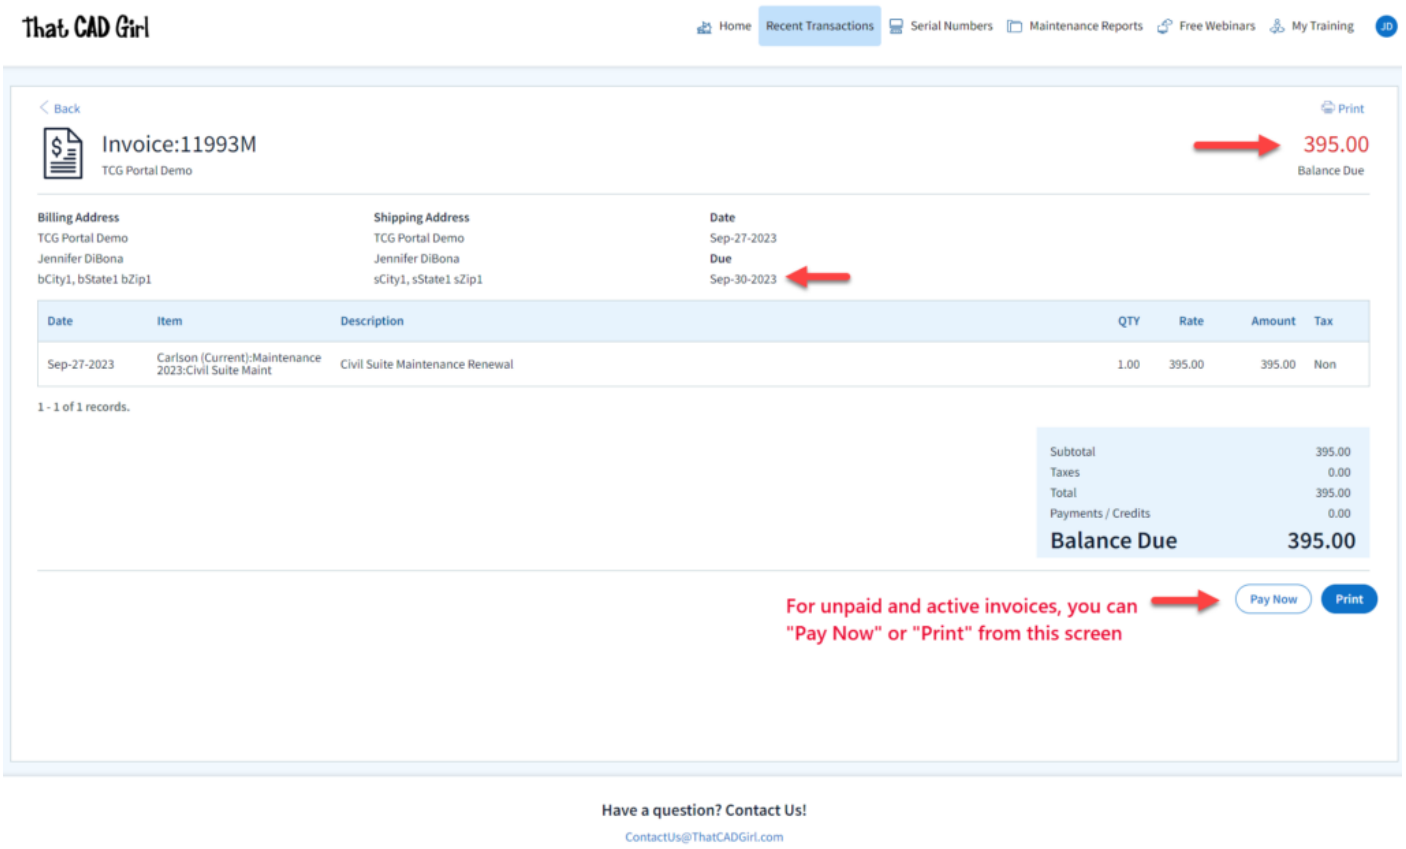

Clicking on an Invoice – When viewing an Invoice in Recent Transactions, you have different options depending on whether the Invoice is active or past due.

For active (unexpired) Invoices, you can click “Pay Now” to proceed to our payment screen.

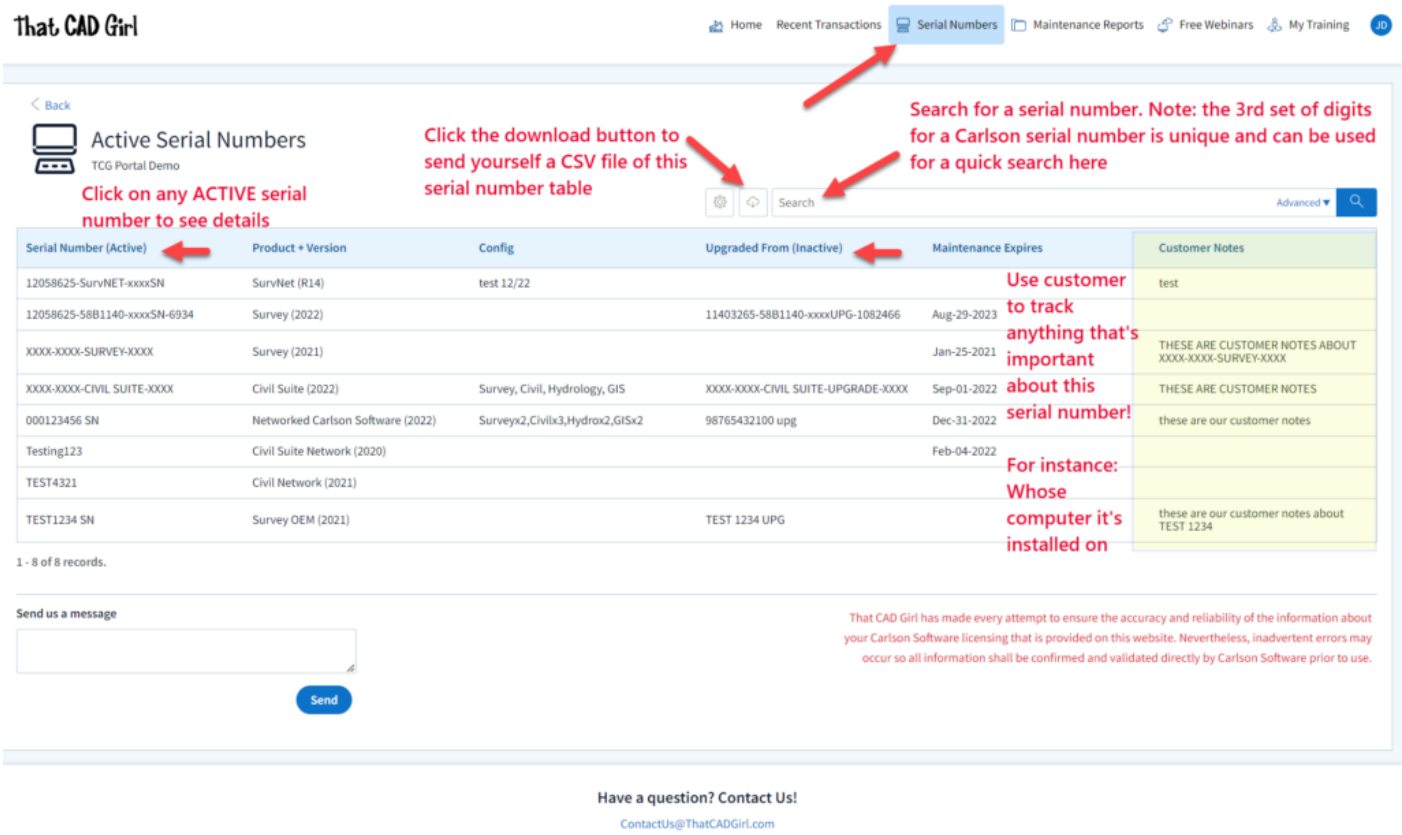

For past due (expired) Invoices, you only have the “Print”

button that allows you to export to a PDF.
