Frequently Asked Questions

[FAQ400] Find Answers on your new That CAD Girl Portal

Find Answers on your new That CAD Girl Portal

If you (or your company) have ever requested a proposal or invoice from That CAD Girl – Congrats! You have a portal!

Every portal is specific for the email address we have on file for you, so – **Click here to access That CAD Girl's Customer Portal** then enter your email address.

The availability of tabs on your portal will depend on whether you have been granted Full Access by the primary contact in your company or if you have Restricted Access. Everyone will have Home, Free Webinars and My Training tabs while those with Full Access will have access to Recent Transactions, Serial Numbers and Maintenance Reports.

nt Transactions – On this tab, you can review proposals and securely pay your invoice using any major credit card or directly from your bank account. You can also review and download PDF copies of past proposals, invoices and payment transactions. This tab is only available to users with Administrative Access.

The screenshot shows the 'Recent Transactions' page in the TCG Portal Demo. The page header includes the 'That CAD Girl' logo and navigation links for Home, Recent Transactions, Serial Numbers, Maintenance Reports, Free Webinars, and My Training. The current balance is 0.00. The table below lists transactions with columns for Date, Transaction, Ref #, Amount, and Balance. Red arrows and text annotations highlight specific actions: 'Click to open an invoice' points to the 'Invoice' row, and 'Click to open an estimate' points to the 'Estimate' row. Other annotations include 'If it hasn't expired, invoices can be printed or paid' and 'If it hasn't expired, estimates can be converted to an invoice'.

Date	Transaction	Ref #	Amount	Balance
Jul-15-2023	Invoice	11832M	49.00	0.00
Mar-31-2023	Estimate	P-9149M	1,542.90	0.00
Mar-31-2023	Estimate	P-9151M	10.00	0.00
Nov-10-2022	Estimate	P-8750M	1,981.24	0.00
Sep-13-2022	Estimate	P-8596M	1.07	0.00
Sep-13-2022	Estimate	P-8599M	1.07	0.00
Sep-13-2022	Estimate	P-8602M	2.15	0.00
Sep-06-2022	Estimate	P-8620M	4.00	0.00
Sep-05-2022	Estimate	P-8619M	3.00	0.00
Jul-21-2022	Estimate	P-8458M	200.00	0.00

Clicking on an Estimate – When viewing an Estimate (Proposal) in Recent Transactions, you have different options depending on whether the Estimate has been previously converted to an invoice, is active (unexpired) or is past due (expired).

For active (unexpired) and unconverted Estimates, you can click “Accept & Pay” to convert the Estimate to an Invoice and proceed directly to our payments screen or click “Create Invoice” to convert the Estimate to an invoice and proceed to the Invoice screen.

For past due (expired) or previously converted Estimates, you only have the “Print” button that allows you to export to a PDF.

NOTE: Once an Estimate has been converted to an Invoice using either option, you must return to the Recent Transactions table and open the Invoice to pay.

3/01/20	Proposal for [Company Name]	\$1,050.00	Open

Serial Numbers – On this tab, you can see a list of Active Carlson Software Serial Numbers. The table on this screen is searchable and can be filtered or downloaded in Excel format. This tab is only available to users with Administrative Access.

DISCLAIMER: That CAD Girl has made every attempt to ensure the accuracy and reliability of the information about your Carlson Software licensing that is provided on this website. Nevertheless, inadvertent errors may occur so all information shall be confirmed and validated directly by Carlson Software prior to use.

The screenshot shows a web application interface for managing software licenses. At the top, there is a navigation bar with the title 'Active Serial Numbers'. Below the navigation bar, there is a search and filter area. The main content is a table with the following columns: License Number, Product Name, User, License Type, and License Key. The table contains several rows of data, each representing a different software installation. The interface is clean and professional, with a light blue and white color scheme.

Also, clicking on any serial number in the list brings you to a details page where you can add any “User Notes” that are helpful to you such as the user name, location or even the Change Key associated to that installation. You can also find the link to download and link to installation instructions.
