FAQ: What you should know about purchasing Carlson Software

Carlson Self-Study Manual – Configuration & Overview of Points

That CAD Girl Self Study Manuals are the perfect complement to your purchase of Carlson Software. The books were written when 2013 software was current but still work well with more current versions of the software.

This is one book with 2 lessons. This book can be purchased,

here, separately or as a 2-book bundle with the Field to Finish Self-Study Manual.

Carlson Self-Study Training Manuals

includes print and digital version*

**For a limited time, purchase the hard-copy, print version and receive access to our digital version (beta release)*

That CAD Girl Self Study Manuals are the perfect complement to your purchase of Carlson Software. The books were written when 2013 software was current but still work well with more current versions of the software.

There are 3 lessons in two books and can be purchased together, as a bundle, or separately:

Carlson Self-Study Training Manuals (2-book bundle)

Carlson Self Study Manual – Configuration & Overview of Points (one book, two lessons)

Carlson Self Study Manual – Field to Finish
